

Look What We Found!

This summer, don't leave home without buckling up.

You'll wear this one all the time—the thread-wrapped leather matches everything. (*J.Crew*, \$50)

Double buckles on an extrawide band dramatically narrow the waist. (*Motif 56*, \$145)

A row of brass studs looks brilliant with jeans. (*J&M Davidson*, \$290)

A flower made of lapis- and amber-toned resin adorns a rugged leather strap. (*Modus Rio*, \$189)

This slender python belt in an intense shade is surprisingly versatile. (*Bottega Veneta*, \$580)

Etching and cutouts turn leather into lace. (*Streets Ahead Inc.*, \$198)

Cinch this metallic beaded belt over a dress or tunic. (*Banana Republic*, \$50)

Three different blues and an asymmetrical shape make for a piece of modern art. (*Meredith Wendell*, \$350)
